BRIGHTER FUTURES – MISSION AUSTRALIA

Brighter Futures is an early intervention program. Brighter Futures is a voluntary program designed for families expecting a child or with a child aged 0-8 years old (at least one child must be 8 years or younger or the family will not be eligible). The program provides families with the necessary support and services to help prevent an escalation of problems they are facing. To be eligible for the program families must present with at least one of the following vulnerabilities: domestic violence, drug or alcohol misuse, parental mental health issues, lack of parenting skills or inadequate supervision, or parent (s) with significant learning disabilities or intellectual disability. Families joining the program will be linked with a brighter futures case coordinator who will work with the family to identify their strengths and needs and develop an individual support plan. Services include: case management, parenting programs, home visiting and child care services.

MACKILLOP RURAL COMMUNITY SERVICES

Service covers Coonamble and Quambone. The prime aim is to enhance parenting skills through a variety of strategies that best meet the individual needs for each family. We can provide support to prospective parents who are pregnant and would like to know more about what to expect, and assist new parents to become more comfortable with their parenting role. Programs designed to meet community needs are also conducted for example, cooking, sewing, budgeting or the Triple P program. We provide information and education on a broad range of topics or refer families to specialist services. Attendance at all of our services is voluntary and families can be referred by an agency or they can just contact us directly. During term time Playgroup is at Mackillop Centre on Tuesday fortnightly and Wednesday fortnightly at the Quambone Hall.
