

INLAND RAIL NARROMINE TO NARRABRI

Community information meetings

ARTC continues to progress Inland Rail in NSW in line with expectations of the Australian Government.

Join us at one of our upcoming meetings to hear about the project, discuss the route selection process, the next phase of design and the timeframes to determine the rail corridor.

ARTC is committed to working with communities and landowners as a vital part of our work, and we value your input. To help us ensure the information meetings are as useful as possible, we would appreciate if you would email any questions you would like answered at the meeting to the project team by Friday 8 December to inlandrailnsw@artc.com.au.

- ▶ **Venue:** Narromine United Services Memorial Club, 58 Dandaloo St, Narromine.

Inland Rail is a once-in-a-generation project connecting regional Australia to domestic and international markets, transforming the way we move freight around the country. It will complete the 'spine' of the national freight network between Melbourne and Brisbane via regional Victoria, New South Wales and Queensland.

For more information about Australia's largest freight rail infrastructure project, please visit our website www.inlandrail.com.au, call **1800 732 761**, or email inlandrailnsw@artc.com.au.
