

REQUEST FOR QUOTATION

Project: Coonamble Showground electrical and lighting upgrade
Location: Coonamble Showground, Castlereagh Highway, Coonamble
Closing Date: 5pm, 15 February 2021
Reference: G5-93-2-RFQ1

Please provide your written quotations to the General Manager, Coonamble Shire Council, PO Box 249, Coonamble NSW 2829 or email to council@coonambleshire.nsw.gov.au by the closing date above.

Please include your proposed starting date with your quotation.

Kindly note that lowest/highest or any quotation will not necessarily be accepted.

Coonamble Shire Council seeks quotations for the following works from appropriately qualified and licensed suppliers:

Scope of Works:

1. Supply and installation of 6 x free-standing frames with metal electrical switchboard, each with 6 x 15 Amp, single-phase power outlets on individual safety switch circuits, along with associated works, including:
 - All trenching and earthworks to lay underground cable from the current supply to the new switchboards locations.
 - Installation of suitable frames on which to mount the electrical switchboards.
 - Provision of weatherproof boxes to protect switchboards from the elements.
 - Provision of electrical switchboards.
 - Connection of electrical switchboards to mains supply.
2. Supply and installation of 1 x 6m pole, with 2 x 200 Watt LED floodlights, including:
 - Removal of existing wood pole to which is currently affixed two electrical switchboards.
 - Installation of the new pole with floodlights.
 - Re-affixing the current electrical switchboards to the new pole.

Quotation prices shall include the provision of all Plant, Equipment, Material, Labour, Supervision, Testing and Quality Assurance to carry out the work to the required scope and standard.

Further information and proposed layout of works can be obtained from Council's Executive Leader Infrastructure, Kookie Atkins, T: (02) 6827 1900 or email council@coonambleshire.nsw.gov.au
