

EXPRESSIONS OF INTEREST

Schedule

Applicant/Business Name:	
ABN:	
Address:	
Contact Phone Number:	
Contact Email:	

Explain your proposal for the transportation of the water to your site:	
Have you considered the need to construct storage?	Y/N Comments:
What is your intended use of the water?	
What is your process, if you have excess water? <i>An environmental escape of the water may be investigated and prosecuted. Alternatively, a licence to release into the environment may be required.</i>	

What is the impact to your operations if less water is supplied (i.e. criticality to operations):	
Have you contacted WaterNSW to ensure that a licence for the water use would be permissible?	Y/N Comments:
There may be water loss and/or evaporation that reduces the amount of water for use. Have you considered this impact in your operations?	Y/N Comments:
Have you considered the cost of supply to your operations in your proposal?	Y/N Comments:
