MEDIA RELEASE

COUNCIL UNION PICNIC DAY SCHEDULED FOR FRIDAY, 1 OCTOBER

Coonamble Shire Council has scheduled its Union Picnic Day for Friday, 1 October, with administration offices and services closed.

The Administration Office in Coonamble, the Coonamble and Gulargambone pools, local libraries, the Animal Pound, Council Depots and Service NSW Agency will be closed for the picnic day – reopening on Tuesday, 5 October, following the public holiday.

Coonamble Waste Management Facility on Quambone Road will be open from 8am to 5pm (closed between noon and 1pm) on Friday.

While public pools will be closed on the Picnic Day, they will be open on each day of the long weekend.

The picnic day is usually held earlier in spring but was delayed this year due to the Stay-At-Home public health orders in place at the time.

Residents requiring urgent help with a Council-related service are asked to check emergency contact details available on Council's website, Facebook page and in Council's advertisement in *The Coonamble Times*.

Those wishing to report a non-urgent issue can do so by completing the form available on Council's website.
