MEDIA RELEASE

ROAD CONDITIONS REPORT – QUAMBONE ROAD CLOSED

Coonamble Shire Council advises the travelling public that all unsealed roads remain closed throughout the Local Government Area, and Quambone Road also remains closed.

Quambone Road is covered by more than 30cm of water at the Euronne Gully, about 9km from Coonamble.

Council staff continue to monitor road conditions. An updated road bulletin will be issued as conditions change. Travellers should also check Council's website for current road condition reports.
