ROAD CONDITIONS REPORT – UNSEALED ROADS OPEN WITH CAUTION

Coonamble Shire Council advises the travelling public that **ALL UNSEALED ROADS** within the Local Government Area are **OPEN** to all traffic, requesting that drivers exercise caution and drive to conditions at all times.

Drivers are particularly requested to anticipate the hazards of some causeways still covered by water and of heavy vehicles starting to move harvested crops.

Council acknowledges the patience of local primary producers in rescheduling the movement of heavy vehicles until the unsealed sections of the route between their properties and the sealed road network had dried out.
