## MEDIA RELEASE

### ROAD CONDITIONS REPORT

Coonamble Shire Council advises the travelling public that **MOST UNSEALED ROADS** within the Local Government Area are **OPEN** to traffic, requesting that drivers exercise significant caution and drive to conditions at all times.

Rainfall across the Local Government Area on Wednesday night varied between 3mm and 50mm.

The following unsealed roads remain **CLOSED** due to extensive damage from flooding in the past month or from use while the roads were wet:

- Carinda Road (west of "Glenora")
- Conimbia Road
- Hollywood Lane
- Kensington Road
- Nedgera Road
- Ottendorf Lane
- Quabathoo Road
- Quandong Road
- Toora Road
- Trafalgar Road
- Whitewood Road
- Wingadee Road
- Woolingar Road

Drivers should anticipate heavy vehicles moving grain on all roads throughout the Local Government Area. Primary producers are requested to avoid using the closed unsealed roads where possible.

Council staff inspect roads during and after rain events and issue updated road bulletins as conditions change.
