MEDIA RELEASE

ROAD CONDITIONS REPORT – ALL UNSEALED ROADS OPEN WITH CAUTION

Coonamble Shire Council advises the travelling public that all roads throughout the Local Government Area are now open to traffic, with drivers requested to use caution.

Pilliga Road is open north of Floddenfield Road, but still has up to 15cm of water flowing over causeways at this point. Speed restriction signage is in place. The road is not suitable for motorcycles, whose riders should seek an alternative route.

Warren Shire Council has closed Gibson Way across to the Macquarie Marshes. Sandy Camp Road is open with caution.

Council staff periodically inspect roads during and after rain events and issue updated road bulletins as conditions change.
