MEDIA RELEASE

ROAD CONDITIONS REPORT – UNSEALED ROADS OPEN WITH CAUTION

Coonamble Shire Council advises the travelling public that **ALL UNSEALED ROADS** are **OPEN WITH CAUTION** to all traffic.

Primary producers are kindly requested to minimise the movement of heavy vehicles until the unsealed sections of the route between their properties and the sealed road network has thoroughly dried out.

Travellers should exercise caution when driving on unsealed roads, slowing down and anticipating muddy sections at causeways.
