

## **HEIN BASSON APPOINTED GENERAL MANAGER**

Coonamble Shire Council is pleased to announce the appointment of Hein Basson to the position of General Manager commencing on 3 June 2019.

Hein brings a wealth of knowledge – most recently Hein was the General Manager of Glen Innes Severn Council.

His extensive experience has included 27 years in the position of General Manager/CEO of four different local government bodies.

Hein is looking forward to working with Council, staff and the Coonamble Shire community.

“It is an honour to be appointed as the General Manager of Coonamble Shire Council”, said Hein. “As with the position of an elected member, it is a privileged role that carries with it important responsibilities”.

“I look forward to providing leadership to a strong and stable governance structure and a “can-do” executive management structure that will facilitate economic and social development in the Shire”.

Mayor Ahmad Karanouh welcomed Hein to the position and looks forward to working closely with him for the future prosperity of Coonamble Shire.

“These are challenging times for local government and rural communities and with Hein at the helm, the community can be assured that Council will be functioning efficiently”, said the Mayor.
