**PRESENT:** Cr Ahmad Karanouh, Mayor, in the Chair, with Crs Karen Churchill, Bill Fisher, Robert Thomas, Paul Wheelhouse, Pat Cullen and Barbara Deans

Also present were the General Manager, Mr Hein Basson, the Director of Community Services, Ms Robyn Ryan, the Director of Corporate and Urban Services, Mr Bruce Quarmby, the Director of Engineering Services, Mrs Kookie Atkins and Mrs Jill Moorhouse.

### **1.0 OPENING MEETING**

At this juncture, 9.02 a.m. the Mayor congratulated and welcomed the two new Councillors elected at the By-Election on 29 June – Cr Pat Cullen and Cr Barbara Deans.

The Mayor explained that a councillor must take an oath of office or make an affirmation of office at the first meeting following election. Pursuant to the provisions of Section 233A(2) of the *Local Government Act 1993*, Cr Cullen took the Oath of Office in the prescribed format and Cr Deans made an Affirmation of Office in the prescribed format before the General Manager, prior to the commencement of business of the meeting.

Following the Councillors' induction, the Mayor referred to the overwhelming response of the community in favour of nine (9) councillors, following the Constitutional Referendum carried out in conjunction with the by-election. The "YES" vote totalled 1357, with "NO" being 691 which means that at the Local Government general elections in September 2020 residents will be voting for nine (9) councillors.

### **2.0 ACKNOWLEDGEMENT OF ORIGINAL OWNERS OF THE LAND**

The Mayor acknowledged the traditional custodians of this land, the Wailwan people, and paid his respects to elders past and present.

### **3.0 COMMUNITY CONSULTATION**

At this juncture 9.08 a.m., the Mayor welcomed Mrs Marg Garnsey who wished to address the meeting on behalf of the Quambone Resources Committee. Item 10.3 in the Precis of Correspondence from this Committee has reference in relation to this matter.

Mrs Garnsey requested that Council give consideration to re-instating the Quambone Resources Committee as a Section 355 Committee of Council immediately. She pointed out that it was an oversight that paperwork lapsed and the Committee was formally disbanded some time ago. Mrs Garnsey said she and the volunteer committee had continued to operate as a Section 355 Committee and it was not until earlier this year that they became aware of the current situation.

There were issues for the Committee in not having insurance cover and she pointed out that because of this situation, applications cannot be made by the Committee for currently available funding. Mrs Garnsey informed the meeting that the Committee's AGM is scheduled for 31 July 2019 and she was hopeful that Council would consider the request favourably.

The General Manager informed Mrs Garnsey that his recommendation was that Council, in principle, approves the implementation of the Quambone Resources Committee becoming a Section 355 Committee, subject to adoption of a policy framework being put in place. Mr Basson said he hopes to be able to prepare a report and associated documentation to a future meeting in the not-too-distant future, however, at the present time there is no structure and associated resources in place to manage, assist and support Section 355 Committees of Council.

The Mayor informed Mrs Garnsey that Council sincerely appreciates the work that the Committee's volunteers undertake.

Mrs Garnsey thanked Council and left the meeting at 9.16 a.m.

In discussing this matter, the Director of Corporate & Urban Services said Council should be mindful of ongoing maintenance costs associated with playing fields and sporting amenities. Identification of areas for establishment of sporting fields should also have access to existing amenities.

Note: During discussion on the availability of the above grant funding, the Director of Community Services reminded the meeting that other community organisations could apply directly for funding from the \$770,000 as it was not for council's exclusively.

Note: The General Manager advised the meeting that this report seeks Council’s support in progressing the development of a Masterplan for Coonamble Shire which will establish an agreed vision and be a key guiding document designed to shape the future of the community. The Stage One – Expression of Interest (EOI) document was included with the Business Paper.

Note: Mr Basson pointed out that this is an opportunity to engage in a strategic planning exercise that will tie together a number of economic development / tourism / community projects, concepts and elements which are either in the process of being pursued or stakeholders’ thoughts and aspirations.

Note: Cr Fisher referred to the approaches to town, especially the southern approach and said with recent upgrading of the caravan park, the new netball courts and the surrounding Smith Park area, it is something of which Council should be proud. Cr Fisher drew Council’s attention to the fact that tourists with caravans need well-defined areas to park – which at the moment is not available.

Note: Cr Deans asked the General Manager whether Gulargambone and Quambone were included in the “masterplan” proposal – Mr Basson said they would be as part of the larger plan and that it may be prudent to have a particular and fitting identity for each, complementing the overall theme/branding of the area.

The Director of Corporate and Urban Services said that lack of consultation by the Government was inconsiderate, especially following the adoption of Council's budget for the relevant year.

Note: The Director has prepared a draft policy for roadside grazing which was included with the Business Paper, together with relevant documentation to support the making of a workable policy.

The Mayor and General Manager said they would mention this when speaking with other Mayors and General Managers for an informal discussion on the issue.

Note: Both Crs Wheelhouse and Cullen expressed the opinion that control and management of TSRs should return to the local council level – especially in drought times when landowners are struggling to feed stock and perhaps looking at being more lenient during unfavourable seasonal conditions.

**4442 RESOLVED** on the motion of Crs. Wheelhouse and Deans :

- 1) That Council, in accordance with the provisions of Section 78(3)(a) of the Local Land Services Act 2013, gives concurrence to the Central West Local Land Service to issue roadside grazing permits on Council roads within the Coonamble Shire Local Government Area, subject to the provision of the Roadside Grazing Policy as was attached as Annexure to the report.
